THE VILLAGE CRIER

THE CORUNNA HISTORICAL VILLAGE OF SHIAWASSEE COUNTY

SUMMER 2015

I apologize for not been more efficient in getting news out to everyone. I'm having carpal tunnel surgery done in October and until then it has been difficult working on the computer. It's also been a busy summer with the building of Lawson's Bicycle Museum. Work continues on the construction of the inside. Jacob's Drywall Co. should complete the ceiling this week. All the electrical has been installed and the insulation is in. Next step will be putting up the bead board, staining it, and sealing it. The flooring will be the last thing done before bringing in the bicycles and other related items. We are thankful for the help of Bob Graham, Don Allen, Fred Farkas, Chuck Kerrridge, and Al Horton who are volunteering when needed for this build.

Dave Collard Concrete/Masonry

J.P. Kulhanek & Sons Construction

Drainage System –Al Horton, Bob Graham, Fred Farkas, Don Allen, and Dick Waters

Painters: Bob G, Don A.,Dick W. and Fred F.

Electrical: Ron Keetch Electrical

Interior Work:

The Friends received donations from the Corunna Woman's Club, the Shiawassee Antique Club, and Bill, Jayne and Jack Brown which should pay for a professionally done sign for the building. We are diligently working to finish and be open for our Christmas open houses. There is still a lot to do. I hope to have another Crier out to you before December.

Outdoor decorating for Christmas will begin Monday, November 2nd weather permitting. We will also be decorating inside on bad weather days. We generally work week days from 10-2. Any help would be appreciated.

APPLE FEST: The village will be open Saturday, September 26th from noon to 4:00 p.m. We will have hot dogs, cider, water, pop, popcorn, and sweets for sale in the township hall. <u>Remember that parking in the area on the south side of the church is free to Friends' members. Use the entrance off Corunna Avenue.</u>
