

# **YOU KNOW YOU ARE LIVING IN 2005 when...**

- 1. You accidentally enter your password on the microwave.**
- 2. You haven't played Solitaire with real cards in years.**
- 3. You have a list of 15 phone numbers to reach your family of 3.**
- 4. You e-mail the person who works at the desk next to you.**
- 5. Your reason for not staying in touch with friends and family is that they don't have e-mail addresses.**
- 6. You pull up in your own driveway and use your cell phone to see if anyone is home to help you carry in the groceries.**

**7. Every commercial on television has a web site at the bottom of the screen.**

**8. Leaving the house without your cell phone, which you didn't have the first 20 or 30 (or 60) years of your life, is now a cause for panic and you turn around to go and get it.**

**10. You get up in the morning and go on line before getting your coffee.**

**11. You start tilting your head sideways to smile.  
:)**

**12. You know exactly to whom you are going to forward this message.**

**14. You are too busy to notice there was no #9 on this list.**

**15. You actually scrolled back up to check that there wasn't a #9 on this list.**
