

Mt. McCurdy

Have You Seen It Yet?

At 30 feet high, 60 feet wide, and 300 feet long, it's hard to miss Mt. McCurdy, the new sled hill located just north of the Historical Village in Corunna's McCurdy Park..

After two years of planning, it is shaped and seeded, the pathways roped off, and now ready for winter fun. Future improvements include: cargo netting for the sides, a garden terrace, picnic areas, and a hiking trail. Donations are being sought for these additions.

Now We Need Your Help!

For a \$50.00 donation, your name will appear on a sponsor board, erected in the spring of 2008, next to the sled hill. You can donate toward any future landscaping project or designate your money toward a specific project.

Donations are tax deductible. To help, please fill out the form below and return it to Corunna City Hall, 402 N. Shiawassee St., Corunna, MI 48817.

If you would like to donate landscaping materials, please contact Joe Sawyer at Corunna City Hall, 989-743-3650.
