Owner includes a person eligible for the special assessment deferment who is purchasing a homestead under a mortgage or land contract or who owns a dwelling situated on the leased lands of another or is a tenant-stockholder of a cooperative housing corporation.

What is 'Household' Income?

Household income is the total income (taxable and nontaxable) of both spouses or of a single person maintaining a household. It is the sum of adjusted gross income (AGI) plus all income exempt or excluded from AGI. Total household income includes - wages, salaries, tips; net income from a business, rent or farm; Social Security less the amount deducted for Medicare premiums; SSI (Supplemental Security Income), FIA (Family Independence Agency) and FIP (Family Independence Program) benefits; child support; alimony; unemployment, workers' and veterans' disability compensation; pension benefits; interest income; gifts and winnings in excess of \$300.00 and other sources of income for all individuals living in the household.

To qualify for the special assessment deferment you or your spouse (if jointly owned) must:

- a. Be 65 years or older at the time of filing of this affidavit; and (Exception: If you or your spouse are totally and permanently disabled, the age requirement is waived by authority of P.A. 360 of 1978, as amended)
- b. Have been a Michigan resident for 5 years or more and must have owned and occupied the homestead for 5 years or more; and
- c. Be a citizen of the United States; and

- d. Have a household income not exceeding the limit set for the year by law. For the year 2004 the household income cannot exceed \$ 18,732; and
- e. Have a special assessment of \$ 300 or more; and
- f. If a mortgage or an unpaid balance on a land contract encumbers the homestead, a deferment of special assessments shall not be made without the written consent of the mortgagee or the land contract vendor. The consent letter must state that the mortgagee or the land contract vendor understands that the lien by the State of Michigan is the 'First Lien' on the property.

Who approves the Deferment of Special Assessment?

The deferment application is initially made to the local assessing officer in the city or township where the property is located. After the local assessing officer verifies the information provided, it is forwarded to the Department of Treasury for processing. The Department of Treasury will approve the application if all of the requirements are met.

What happens after the approval by the Department of Treasury?

After the application is approved, the Department of Treasury sends a check to the local unit of government to pay off the special assessment. The Department of Treasury records a lien on the property in favor of State of Michigan.

What do I need to do to release the lien on the property?

The money advanced by the Department of Treasury is a loan to the owner of the property. Like any other loan from a bank, the loan carries an interest (at present ½ of 1% per month). The loan has to be paid back to the State before the lien is released.

The deferred special assessment has to be paid back when the property is sold or transferred. If the owner of the property dies, then the loan needs to be paid within one year after the death. If not, there is an additional interest of 1% per month in addition to the interest until the loan is paid.
